As you travel into the cool of the forest country, deeper and higher, far into the Mountains you will find Cybele Forest Lodge and Health Spa. Three hundred acres of African paradise, living forest, mountains and ains and meadows. In the centre, the lodge is a charming old farmhouse with a wide verandah where you can sip sundowners whilst looking out over the magnificent gardens. Let the world slip away as you watch the monkeys cavorting in the giant turpentine trees. Take in the cool violet of the jacaranda, the shocking pink of the Tibouchin and the scarlet umbrella of the African flame tree. Wander down to the large secluded heated swimming pool with its comfortable sun beds. Here you can relax and listen to the creakin of the bluegum trees in the forest breeze and breathe in the heady aromas of frangipani, gardenia and buddleia in striking contrast to the vivid colours and lush greenery of the garden, the interior of the lodge is warm and inviting.
